

Exam Security and Quality Policy

UKPRN: 10090350

Legal Name: Africa Health Research Organization

Trading Name: AHRO University

Africa Health Research Organization (AHRO University) takes the quality of its exam at the centre of what it does.

Enhanced Security

At every stage of the exam process, enhanced security is put in place. From production of paper to the day of the exams, we ensure that the exams are fair.

Quality Management

Our exams are of global marks that are set by quality standard. Our systems and processes for designing, developing, and delivering examinations are independently certified

Back by research

All our assessments are based on robust research and aligned to international standards.

Cutting-edge technology would be engaged for this.

The above described policies will be reviewed every 3 years at the instigation of Director of Courses. There will be annual review to evaluate if amendments to any of the policies are required due to changing legislation.

The Director of Courses may at anytime request stakeholders to submit report on their compliance with any of the policies

All queries related to any of the policies should be directed to the Records Manager while issues related to non-compliance should be directed to the Office of the Inspector General

These policies has been approved & authorized by office of the Director-General on
26/01/2021
